From the Principal's Desk

Welcome back to Term 4! Our students should all be wearing full summer uniform; bike shorts are not a part of the uniform. Our focus this term will still be establishing good routines and ensuring students adhere to our discipline policy. There are many events planned for this term particularly for Year 6. The “Big Day In” is planned for students who work hard and behave well throughout the year and this is our way of rewarding them. In term 4 if a student loses their 3 strikes for unacceptable behaviour they will not be attending the “Big Day in” planned for Tuesday, 18th December.

Our Talented Artist program will continue this term. Our first project will be to submit entries to The Fishers Ghost Festival. Four talented artists from each class will be selected to receive extra tuition.

A parent survey will be online with our next newsletter to be analysed as part of our Annual School Report. A paper copy will also be available in the newsletter. To get a realistic view of parent responses it would be appreciated if each family could find the time to respond.

Raffle tickets to help the Micallef family through a very difficult time have already been sent out. We would like all tickets and money returned by 31st October. We have some fabulous prizes to be won and the family are very appreciative of the efforts from the P&C and the school. We have extra booklets at the office if you can sell more.

I would also encourage parents who are worried about anything to do with their child or some aspect of the school to ring and make an appointment to see me; my door is always open.
**AGM for P&C and Canteen Positions**

After our AGM at the end of last term our results were as follows:
- President - Carmen Crompton
- Vice President – Kalika Austin
- Treasurer – Sharryn McGrory
- Secretary – Melissa Austin
- Canteen Coordinator – Fiona Williams
- Karen Foster – Support Role

**New School Uniform**

Several parents have spoken to me about updating our school uniform over a period of time. When our Annual School Report Survey goes out with the next newsletter I will add questions to it about school uniform. All responses to questions will be made public at the end of the year when the report is finalised.

**ICAS Results**

Congratulations to the following students on their awesome results in the ICAS Mathematics test!
- Credit certificate – William Milne 3B

A huge thankyou to all of the students who had fun and challenged themselves by entering one or more ICAS competitions this year. Hope to see lots more students entering next year as well!

**School Heroes Cricket**
The school heroes cricket program commences this Friday. The program runs over 4 weeks (Weeks 2 to 5) with students participating in class groups throughout the day. The program will be delivered by qualified and accredited Cricket NSW staff. Students will develop the fundamental skills associated with cricket, while also covering gross motor and movement skills. Permission notes have been sent home this week to students who have not yet returned them.

**NRL Clinic**
The NRL will be conducting a free rugby league clinic for K-6 next Tuesday 21st October. It would be advisable if students wore their school sport uniform on this day.
Congratulations Jaide Curtis!

Jaide created her own fantasy world for a Picton Library competition and won first prize! She won a lovely Australian History book pack and bookmark. Here is her winning entry:

CREATE YOUR OWN FANTASY WORLD

Let your imagination run wild and create a fantasy world like Peat's world at the 'Overhang'

Based on 'Song for a Scarlet Runner' by Julie Hunt
